## We pray with the Church

---

### Pope Francis' Prayer Intentions

#### January: The Right to Education

Let us pray that migrants, refugees, and victims of war may always have their right to education respected, enabling them to build a better world.

#### February: Priestly and Religious Vocations

Let us pray that Church communities may welcome the hopes and questions of young people discerning their call to serve Christ's mission through priestly and religious vocations.

“Education is a choral work, which always requires collaboration and networking; never remain alone, avoid self-referentiality.”

Pope Francis

## We pray with the world

---

### January 27: International Holocaust Remembrance Day

We remember the souls of the Holocaust victims who preserved light even in the darkness. We pray that humanity may no longer be wounded by hatred and prejudice, and that we may be guided along the path of peace and unity.

### January 31: World Leprosy Day

We pray for those who have been hurt in body and spirit by leprosy. May the world become a community that respects all people and loves without discrimination.

### February 4: World Cancer Day

We pray for hope and courage for all those suffering from cancer, especially remembering the cancer patients among the Mary Ward Family.

### February 20: World Day of Social Justice

We ask for the grace to see every human being as a child of God, regardless of race, language or culture. For the wisdom to receive the stories and experiences of those different from ourselves and to respond with respect. Lead us to the vision of your justice by which all people are cherished and given what they need.
